

2018 Party Four a Purpose Beneficiary Application

Party Four a Purpose is a Fourth of July themed annual fundraising event organized and hosted by the Honolulu Professionals Foundation (HPF) to benefit the selected beneficiaries for the year. This event is typically a 21+ event with heavy pupus, hosted bar, live entertainment, and silent auction/raffle. In the past we have expected 300-550 attendees and have raised over \$250,000 on behalf of our beneficiaries. We ask that you provide us some information for our group to determine the impact and fit of selecting your organization as an annual beneficiary of HPF. (Please attach additional sheets/information as needed).
